

Cory Wajda

Home airport: Albany, NY (ALB)

Airport Parking \$13/day

I do not typically check any bags for a weekend trial

I would prefer to book my own flights, if the club can reimburse me before the trial.

No other expenses expected other than usual meals and transportation

Food / beverages:

No special requirements or restrictions, but I don't eat "fast food" like McDonald's.

I don't mind flying incredibly late or incredibly early, and don't mind taking "red-eye" overnight flights
