

Koralee Samaroden

A little about me.

I am willing to travel anywhere

I can typically travel anytime on a Friday and return on a Monday (my work is flexible, with notice)

I don't mind flying incredibly late or incredibly early.

I don't have any dog boarding expenses.

I don't have any parking expenses (I live near the airport)

Food Needs: no special needs

Willing to stay at someones house to lower accommodation costs for the club
