DOUBLE RUN FORMAT

We will run the same course twice. For example: Elite Jumpers would walk, then run Round 1, then automatically go into Elite Round 2, running the same course. We then build Open, walk through, then run, then go into Open Round 2 running the same course. And so on, with Novice and Intro.

INTRO CLASSES: The Intro level will be a shorter course than Novice. The only Intro level class with weaves will be Intro Weavers and it will have one set of 6 poles. No other classes will have weaves in them. The Intro level will have no tunnel/contact discriminations. The Intro level is a full titling level with the basic titles at 30 points, Outstanding Performance at 60 points (100 points for Regular) and Superior Performance at 100 points (200 points for Regular). In Intro, dogs may jump any jump height lower than their regulation height. Dogs may NOT jump higher than their regulation height, and the Maximum Jump height for intro is 16". There is no intro class in Gamblers. You do NOT have to start in Intro, you can start your dog's NADAC career in Novice!

VETERAN OR DISABLED HANDLER

Disabled handlers or handlers aged 60 yrs. or older may opt to enter as a Veteran Handler and receive additional standard course time and the dog must jump 4" lower than their standard division height in the VH division. This division is for handlers only. When entering as a Veteran/Disabled Handler, you must enter all classes and all your dogs in this division for the weekend.

As of January-2014: Dogs must enter the Veterans Dog Division in all classes after their 9th birthday. After their 12th birthday, dogs must enter the Skilled Category, Veterans Division for jumping classes and Skilled Category for all classes."

FOOD/TOYS IN POCKET

Food or a small noiseless toy may be carried into the ring in your pocket provided it is contained in a zip lock bag or small container such as a pill bottle. The container cannot be visible in the ring nor within 10 feet of the ring. You cannot indicate to your dog that you have this item on you i.e. patting your pocket. You are not allowed to remove the container until you are at least 10 feet outside the ring. All food and toys must be contained at the trial and none can be left lying about loose. This policy has been implemented to reduce the possibility of dogs fighting over loose food or toys, diminish dogs dragging their handlers back to their crates (or wherever they left their food), and to reduce the number of insects that gather around loose food.

Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately. To contact the trial secretary, send email to Kim Galusha at leverage1114@gmail.com
