Howdy Folks! Thank you for thinking about entering our trial. We usually get the same questions for these trials so we will try to answer them as best we can. These trials are fund-raising events where the money earned goes towards awards and holding our championship event each year.

We also use these trials as a training opportunity for our new judges, so you may see multiple judges out there, and they may switch in and out and also run their dogs.

Day of show entries are welcome.

We do also require help to run these trials smoothly. So if you are entered in Open we would ask that once your dogs are taken care of and you have no other obligations to come over and help out. If you have never worked a trial before that is not a problem. All the jobs are pretty simple and we offer on the job training 😊
