If renting a car, the car must have rental insurance and the club will need to cover that expense

When flying out of ATW - no mileage or parking charges.

When flying out of GRB - 70 miles total and \$8 per day parking

When flying out of MKE on Southwest - 242 miles total and \$8 per day parking

When flying Southwest I always request the Early Bird Checkin (an extra \$25) to ensure a reasonable seat selection.

Unless previously agreed upon, I request reimbursement for air fare at the time of booking. If the club wishes to book the flights, that's fine - I will be happy to provide my personal ID info.

Allergic to Peaches and Penicillin. I prefer water while judging and appreciate healthy snacks such as trail mix, string cheese, or fresh veggies.

Because of my role as web host and webmaster in "real life", I require high speed internet access in my room at the hotel or where ever I may be staying. This is strictly for work purposes during off-hours when I am not judging.
