Oklahoma City (OKC) is the only airport option. I will not charge mileage to airport. Parking is \$10.00/night. I can fly anytime, but it is difficult for me to fly in Thursdays and return Mondays.

If renting a car, car must have rental insurance and the club will cover the insurance expense. I will return the car with a full tank of gas.

I will not charge for home pet sitter. If I'm driving to the assignment and need to bring my dogs, I will provide the sitter.
