This is a Containerized Trial

FOOD/TOYS IN POCKET: Food or a small noiseless toy may be carried into the ring in your pocket provided it is contained in a Ziploc bag or small container such as a pill bottle. The container cannot be visible in the ring nor within 10 feet of the ring. You cannot indicate to your dog that you have this item on you i.e. patting your pocket. You are not allowed to remove the container until you are at least 10 feet outside the ring. All food and toys must be contained at the trial and none can be left lying about loose. This policy has been implemented to reduce the possibility of dogs fighting over loose food or toys, diminish dogs dragging their handlers back to their crates (or wherever they left their food), and to lessen the amount of insects that are around loose food.
IMPORTANT. Please check your dog’s NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately. NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the www.NADACForum.com within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the Forum by going to www.NADACForum.com and submitting your request. Your dog’s points can be found in the Members Section. If you find an error in the reporting of your dog’s qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels: Dogs may not move up to a higher before they have completed a basic title at the previous level. A dog which has not competed in NADAC previously MUST enter at the Intro or Novice level.

Points earned in NADAC:
In NADAC competitions, all points earned at the same level (Intro, Novice, Open or Elite) combine for titles and awards, regardless of category (Skilled or Proficient) or division (Junior Handler, Veteran Handler, Vet Dog, Standard).

*Intro Level courses are shorter in length than Novice courses. Jump heights can be chosen by the handler without regard to the dog's height, with 16" being the maximum jump height allowed. There are no contact/tunnel discriminations and the only class with weaves is Intro Weavers with one set of six.
