

[illegible]

The diagram illustrates a golf course layout on a grid. The grid has major lines every 10 units, with labels 10, 20, 30, 40, 50, 60, 70, 80 on both the top and bottom horizontal axes, and 10, 20, 30, 40, 50, 60, 70, 80 on both the left and right vertical axes. The title at the top left is "909 Meadowlark Open Regular Round 1" and the designer's name "designer Murrelet Halterman" is at the top right.

Key features include:

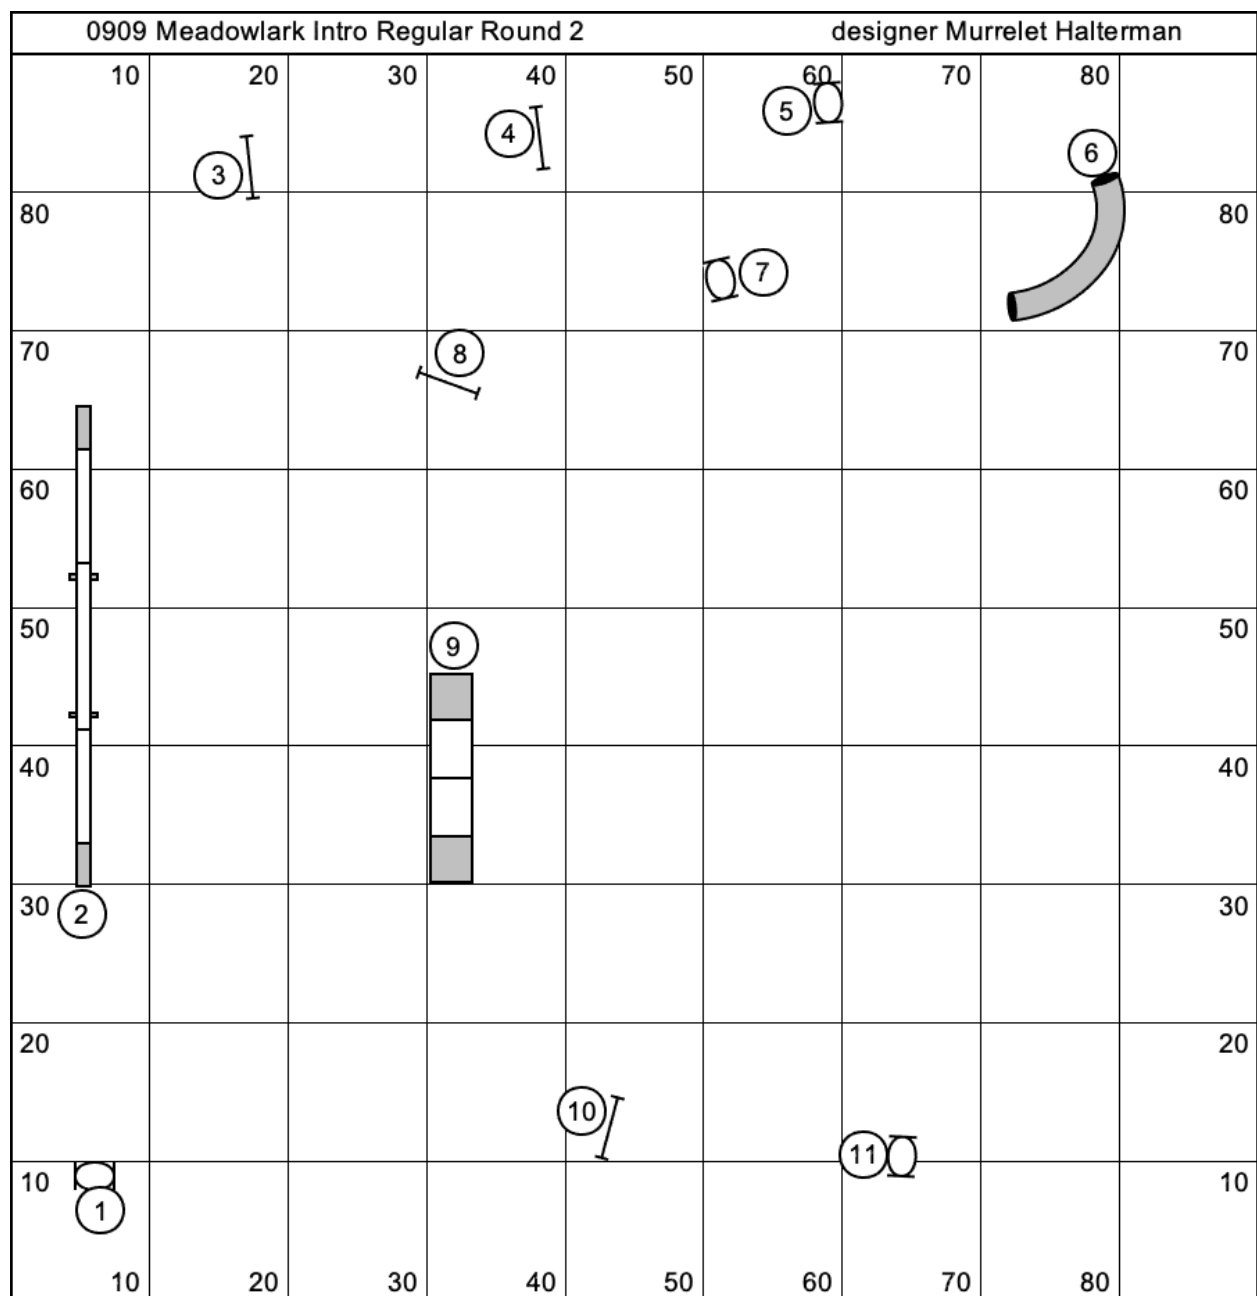

- Holes:** Numbered circles 1 through 17 are placed across the grid. For example, hole 1 is at approximately (68, 10), hole 17 is at (8, 10), and hole 11 is at (78, 68).
- Obstacles:**
 - Trees:** Represented by small black dots, primarily clustered around hole 11.
 - Water:** A large, irregularly shaped area on the left side, between y-coordinates 30 and 70, contains a vertical bar with alternating grey and white segments.
 - Bunkers:** Shaded grey areas, including a large one near hole 3 and smaller ones near holes 15, 16, and 17.
- Other Markers:** Various symbols like small squares, circles, and lines are scattered, possibly indicating hazards or specific terrain features.
